Custom project portfolio 2023 - 2025

Tailored wellness. Built on-site.

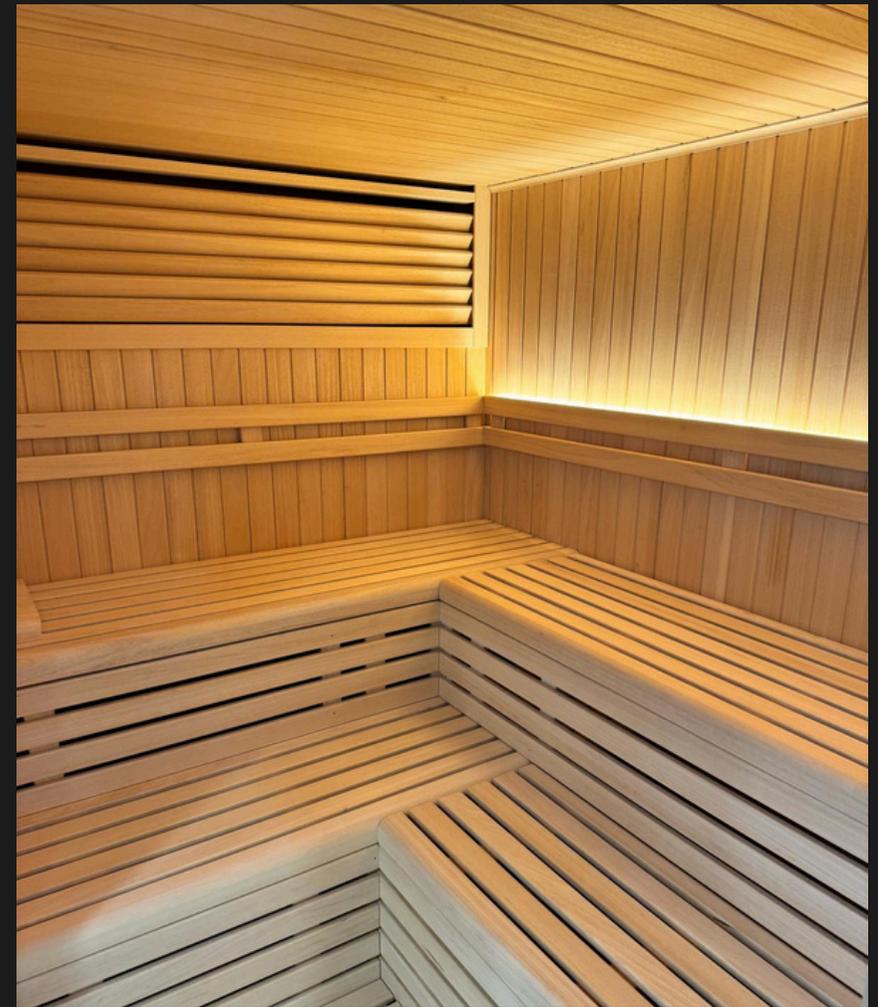

About us

Saunas Durán is a family-owned sauna company based in Barcelona, Spain. Since 1960, we have specialized in custom in-situ construction of traditional Finnish saunas, combining artisanal techniques with modern wellness innovation.

Our third-generation team builds every sauna on-site, ensuring a perfect fit within each architectural space. This approach offers unmatched flexibility and a high level of design integration — ideal for premium residential and hospitality developments.
